There are places I
remember,
All my life, though some have
changed
Some forever, not for better
Some have gone and some
remain.

We've been a quiet class
 As you now know well.
 Perhaps that's why so few
 "Who" of us you can tell.
 But we respect you highly
 As head of this School
 And realize you have to
 Deal with every rule.
 Yet, your personality plays
 The great role
 In making you not just
 Principal, but a "Whole".
 Over the years, you've daunted
 Many a costume for Halloween,
 And as for that blonde wig...
 It's been a "camouflage" and a scream!
 St. Nick traverses
 The corridors with cheer
 With few of us suspecting
 You are so near.
 The children in child care
 Look forward to each visit
 While you deliver their presents,
 You simply "Wiz" it!
 And speaking of wizards.
 You seem to appear
 At our games, activities,
 Class meetings, all dear
 To us who are struggling
 To learn and achieve
 The highest standards of education
 In which you believe.
 Your dedication to all
 Of us at PNHS
 Is something you do
 With fantastic finesse.

Passing through the many pages of this yearbook, each individual will, hopefully, relive several memorable moments through numerous pictures that capture the vitality and the spirit of an unforgettable high school career.

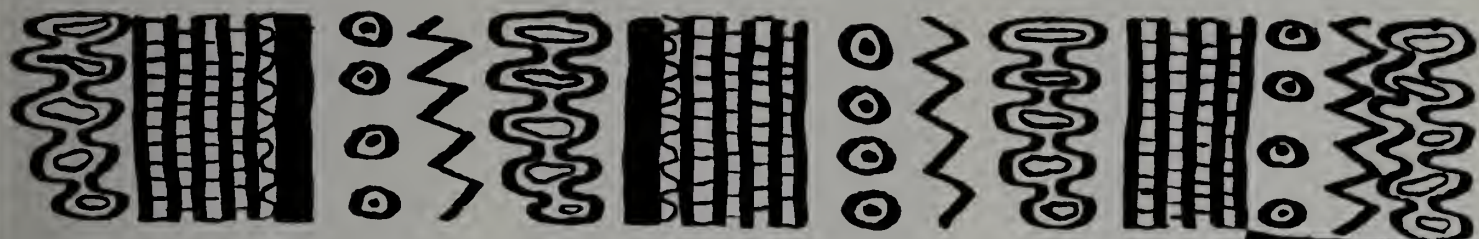

Capturing these memories, however, required much time and much effort of the 1996 yearbook editors and staff. Without such dedication, the production of this very book would not have occurred. Therefore, we sincerely hope that you enjoy Pilgrim '96.

Keep this book with you. As you venture into adulthood, allow yourself time to reflect upon the most enjoyable, the most exciting memories of your life.

To the Class of 1996, we thank you for your assistance and your support.

Good Luck and best wishes,
Alyssa, Alison, & Andrea

"ONLY AS ONE"

Now this is the law of the jungle,
As only and as true as the sky,
And the wolf that shall keep it,
will prosper,
But the wolf that shall break it
must die

As the vine that girdles the tree
trunk,
The law runneth forward and
back.
The strength of the pack is the
wolf,
And the strength of the wolf is
the pack.

And this is the law of athletics,
As true as the flight of the ball,
And the player that keeps it shall
prosper,
But the player that breaks it
must fall.

As the ball and parts that it's
made of
Are bound and held fast with the
seam,
The strength of the team is the
player,
The strength of the player, the
team.

"It takes courage to push yourself
To places that you have never been
To test your limits....
To break through barriers."

Many of you entered Plymouth North High School four years ago, others have joined us along the way. During this time you have experienced the passage to becoming members of the community. When you look back at these years, I hope the photos, facts and memories in this yearbook will be your bridge to happy memories. I know they will be mine.

With every wish for a bright tomorrow,

Eileen O'Connor
I think so often of you up on my shoulders laughing, eyes beaming,
drinking in the world. We were ten feet tall.
I hated to put you down.
Now we stand eye to eye, foot to ground.
And still I am looking up to you.
2EO Luv, Dad

To Karin and her friends-We've always been amazed, pleased,
amused, and proud of this special group of friends who with their
strong, independent personalities have blended into a solid bond of
true friends. Always there for each other, able to build and support
each others strengths. Always caring, sharing, helping, and showing
in their actions what friendship should be. We wish them all the best
of luck in whatever they do. They will all make a difference in this
world, in their own ways-and keep that bond of friendship intact'.

Kelly Furtado

Dear Kelly,

Our "little girl" has become a young woman. Along the way there has been ups and downs, tears and laughter, joy and sadness. All this has made you the loving and caring person that you are. Our love and support will be with you forever.

Love Always,

Mom & Dad

The one I love is so very close to me
And without her, I don't know where I'd be
We disagree, argue and sometimes fight
But never go to bed without saying goodnight
When I went to College, it was you I'd miss
Thinking about you, my little "sis"
We're so much closer than ever before
And everyday I miss you more and more
I want you to know that no matter what
I'll always love you from the bottom of my
heart

Kelly,

I was so excited about going off to college, except for one thing, leaving my sister. You have been a great "little sister" and I couldn't ask for anything more. I wish you the best of luck in everything you do and no matter how far apart we are, I know that you my sister will always be with me. I love you.

Love,
Stephanie

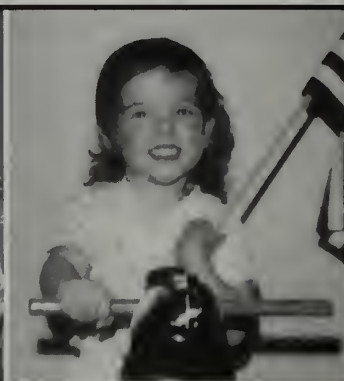

Our Children

Our children are like flowers to us.
Each one different.
Each one beautiful.
Each one growing strong with us.

Our children are like stars to us.
Each one sparkles.
Each one moves through the universe.
Each one closer to the heart of us.

Our children are like life to us.
Each one precious.
Each one unpredictable.
Each one having to let go of us.

Abbi —
You are that sparkle in a big blue eye — a
twinkle in the sky that has grown brighter
everyday. With all our love we send you forth
to light the lives of many.
Proudly,
Mom and Dad

Dear Alyssa,

Congratulations! Where have the years gone? It seems just like yesterday that we watched you board the bus for the first grade. You have given us so much joy and many wonderful memories. Dad and I are so very proud of you. We wish you much happiness and success in whatever you do. We love you very much and we will always be there for you!

Love

Mom and Dad.

Dear Alyssa,

You're my big sister who I've always looked up to and admired. Through laughter and tears you have always been there for me. I'm going to miss all of our "talks". You are my best friend and I love you very much. Good Luck in the future.

Love

Laura

Congratulations, Alison!

**You should
be pleased.**

**You have grown
up beautifully.**

**With love and pride,
Mom and Dad**

I shall be telling this with a sigh,
Somewhere ages and ages hence:
Two roads diverged in a wood
And I took the one less traveled by,
And that has made all the difference.

David,
Always travel your own path. We're so proud of you. Wishing you a life of
health and happiness...

Love,
Dad, Nana, Grampy and CJ

Where has the time gone? It seems like only yesterday that you were playing with boots and dreaming of learning to fly. You've grown up into a wonderful young man. You continue to make us very proud to be your parents. Always remember there is nothing so strong as your belief in yourself. Keep believing in yourself and discover the magic in your dreams.

Congratulations!

With much love and pride,

Congratulations, Jeff Freyermuth!

Did you know you were brave, did you know you were strong?
 Did you know that you've brought us such joy?
 Did you know that we waited, and listened and prayed?
 Did you know that we're proud of our boy?
 Did you know we are cheered by the smile on your face,
 And the sound of your voice ringing true?
 We could not imagine a son who's more dear.
 We'll always be thankful for you!
We love you,

Josh Rehm

Dear Josh,

It's been four fast years at PNHS. Congratulations for a job well done. In the years to come never lose your drive and ambition to be a winner. There will be times when you will do a 720 and still end up on the podium. Never lose sight of your goals, or the people that will help along the way. We will always love you and be there for you.

*Love,
Mom and Dad*

Thank you, Dan . . . for the size of your heart and the depth of your insight . . . for your honesty and your principles . . . for talking and for listening . . . for allowing us to make this incredible journey with you . . . for forgiving all our mistakes and for never giving up on us or on yourself . . . for all the sunshine and the thunderstorms you've brought us . . . for becoming someone we can respect . . . Thank you for being the little boy who was our buddy and for becoming the man who is our friend.

Always remember . . . people matter more than anything else . . . don't do things because you can, but because you should . . . we make a life by what we give, not by what we take . . . You'll always be our little boy, so call your mother . . . You are special!

You are our first best gift to the world . . . Wait till they find out how lucky they are!

All our love . . . yesterday, today, and for always, Mom & Dad

Danny,

You were my first best friend. We have shared more than everything, and you've taught me a lot. No matter where destiny takes you, remember this: Life is like a dirt road running alongside a cranberry bog. You can't tell if the sand is soft until you get to it! Most importantly, remember that it isn't as bad as it seems, and if it is, I'm here for you. Congratulations! Love, Alli

Dan,

Thanks for teaching me everything I needed to know, especially about soccer. You're the best big brother and a great friend. Let's always keep it that way! Love, Andy

Dan,

Thank you for being who you are! Good luck in the future

Gina,
We don't know when it happened, but 18 years have gone by and when we weren't
looking, you grew into the wonderful young lady you are today. You have a one of a
kind personality, but what stands out most in you is the love and caring of others
that has become your trademark.

You have reached a new chapter in your life as you graduate and move onto new and
exciting changes. We know you are ready for them. We are proud of the caring, sensi-
tive, generous, beautiful person you have become. We wish you all the luck at college.
We'll miss you and we won't come knocking on your door every weekend (unless you
want us to)!! Have fun and make yourself proud of your accomplishments.

Love Mom, Dad, Nicole and Brandi

To Beth . . .

The baby girl born to us one Ground Hog Day,
Is now a young woman about to go her own way.
We wish her the best, she deserves it all.
When she was late, she remembered to call.
Her pretty pink bedroom was usually a mess,
But a daughter just can't be perfect . . . I guess.
Still, your Dad and I feel lucky, our worries have been few,
Wet towels on the floor, dishes you didn't do.
We're sorry we made these things seem so bad,
You were busy with part time jobs and all the homework you had.
We know you'll accomplish whatever you desire,
But remember to shut off the stove, you might start a fire!
Keep up the good grades and you'll go far,
Don't forget, after you park and before you leave, turn off the car!
A little bit scatter brained, but a lot of fun!
Be careful at the beach, don't get too much sun.
Sorry we had to nag and to scold,
Always take a sweatshirt, it might get cold.
May your dreams come true and your worries be few.
Love you always, Beth . . . Mom, Dad, and Lacy too!

Dear Jeff,

As third child, first son, you had a special place in the family. We have watched you grow from the adorable baby boy into the handsome, strong, and caring young man you are today. We are proud to call you our son. Thank you for your love, respect, and good behavior!

From the first time we saw you throw a ball, pick up a bat (LEFT HANDED?!), and kick a ball we knew you would keep us busy with all types of sports. We have enjoyed cheering for all of the teams you have played for-Youth Soccer, Pop Warner Football, Basketball, Little League (Seaside '88), Babe Ruth (A & C '93), Cape Cod '94, American Legion and of course the Plymouth North Eagles.

We know you will choose the right college and career (if it has anything to do with sports we know you will excel). Best of Luck!

We hope you are blessed with good health, happiness, success, and love!

Matt,

It seems like only yesterday that you were our sick little boy. It's hard to believe that you have become the healthy young man you are today. The time has gone by much too quickly, but what fun we've had!

Thank you for being such a great son and brother. You are a very caring person with a fantastic sense of humor and personality, and your willingness to help is a special gift that not many people have. These traits should take you very far in life, so don't ever change. We are very proud of you.

Love,
Mom & Dad

Melanie has been a pleasure to watch from day one.
Energetic and involved in the life around her has always been apparent.
Loving her has been easier because of her giving love for us.
Accepting diversity in others easily shows how much she cares.
Noteworthy accomplishments make us proud as she graduates.
Independent is how we saw her as a child and also now as a young woman,
Eager to join, become involved, and enter the world that awaits her.
GO FOR IT, MEL! Love, Mom and Dad

To my beloved Melanie -
We have shared all of our lives together and we've had so much to teach each other. I am amazed that two humans as different as ourselves share such a beautiful friendship. You are an unique, mature individual whom I love with all my heart. Thank you for being such a wonderful sister.
Good Luck until the end of the universe.

Dream big, plan well, work
hard, smile always and
good things will happen.

Sometimes your child makes you so proud, your heart suddenly feels as if it has outgrown your body. You look at them and think, How can I ever tell you how wonderful you are, how you enrich my life, how deeply happy you make me, how glad I am to have you around? It seems we hardly ever have the right words or actions at the times we need them most...but if we fall short in expressing the things that mean the most to us, somehow we compensate with understanding. And if what I end up saying is quite small, I think you know my feelings are huge.

Dear Colleen,

Here is our recipe for a happy life; the ingredients are simple. First, know yourself; you'll always know what to do next when difficulties arise. Second, live in the present; savor every minute because time is what we have least of. Third, never stop learning. One of the surprises of growing older is that the mind doesn't. Fourth, stay as wonderful as you are. We'll love you forever and ever and always and always!

Greg,

You're the last of three and never a day goes by that you have not made us happy as can be . . .

Where have the days and years gone? From the time you started Pop Warner, up through the ranks to Varsity Tri-Captain, you were always striving for that big Win. How proud we were watching you play - how hard you worked with not much to say . . .

But as one chapter of your life comes to a close, another is about to open with new challenges. Remember to never back down, always meet them head on, and before long you will be asking "Where have my college years gone?"

You're one we are so proud of; always there doing whatever we ask of you; so always remember . . . We will be there, too, in whatever you decide to do.

How happy we are that you are our brother, our son and how proud we are of the young man you have become; and so to you, Greg, we lovingly say "A Job Well Done!" Good luck in whatever your future holds and always be the best you can be.

It doesn't seem so long ago that you rode big wheels and pushed shopping carts together. We have given you roots to keep you grounded and wings to let you soar. And now the world is waiting for you. There will always be people who need your kindness and your gentle hands even though they may not ask. Do your best and remember always that we love you.

A son like you brings more
than pride
you bring smiles and laughter
to family moments,

We hope you know
What a special son you are,
and what a terrific person
you've become

Let's face it

Growing up never is
And we've had our share of
differences along the way!

But, now it seems as if

and that's such a great feeling!!!
You have so much to offer
to your family

*Like a child we just sat in the sunlight
and played with the minutes as they went
running by.*

*Like a child who had never known sorrow
We didn't hurry tomorrow we just looked at
the sky.*

*While the clouds went on endlessly passing.
All the clouds on their long voyage home
seemed to say that youth is everlasting
but a rose cannot grow alone.*

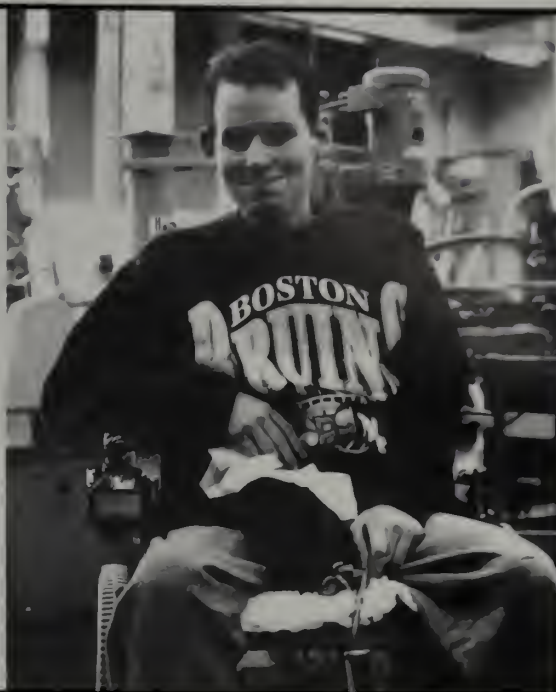

*Like a child we would listen in silence
to the soft sound of evening as it caught up
the day,*

*till you were there in the gathering darkness
and we found that our green years had all
gone away.*

*Now the clouds are going forever
here awhile then gone evermore
and a child on the far side of never
has to run when time closes the door.*

In Loving Memory of Classmate Brian Vale

*Shawn Michael Martin
... missed but not
forgotten.*

For life is too short not to appreciate the good.

*So take things in stride and smile. Live each day to the fullest,
and when someone needs a hand; reach out and help.*

Find the beauty in the common daylight, and be thankful for what you have.

Live well, laugh often, and love much.

In loving memory of Bobby, The Pompeo Family

I am grateful for the opportunity to thank the class of 1996 for the very wonderful pleasure of serving as your class advisor for 1/2 of 92' through your Jr. year in 95. I must confess I learned a lot The truth is, I mimic people I admire and respect. I admire and respect Mrs. Busso-lari greatly. I wanted to be for you what she has been to so many classes. Simply the best. You replied in kind. I also tried to mimic many of you, your enthusiasm, eagerness and ambition is infectious. The time we had together, the events we planned and the efforts we expended helped us form many truly memorable moments and lasting friendships. You in turn helped me, a new teacher, become a better teacher. You gave to me the things most important to all people, recognition and respect and I in turn recognize and respect you for your many individual and group accomplishments. We leave here, as we should, all of us better people for having spent our time together. This is the synergistic effect that quality education strives to achieve. Again, thanks for the pleasure of having shared four years of your wonderful lives, and to Mrs. Busso-lari, thank you for such a good example to a new teacher . . . I hope to do the same in years to come

Best of luck, Mike Bastoni

Listen to the MUSTN'TS, child,
Listen to the DON'TS
Listen to the SHOULDN'TS,
the IMPOSSIBLES, the WON'TS.
Listen to the NEVER HAVES
Then Listen Close To Me —
Anything can happen, child,
ANYTHING can be. Shel
Silverstein

Even though I've only been your advisor this year, I have known many of you for four years. I was there when you limboed in the courtyard as freshmen and when you showed such poise and class at Ridder Country Club as juniors. I am honored to be your advisor as you graduate as seniors. I would like to give a very special thanks to Lauren, Matt and Leslie for all their help. EVERYTHING that happened this year happened because THEY made it happen. I would have been lost without them.

Again - Best Wishes and Great Futures to You All
Love, Mrs. B.

Some days up ahead will come down empty
and some years fuller than the fullest one we have known before.
Today has been the best day yet.
I thought you ought to know that,
and I thought it time that I say **THANK YOU.**

for whatever might have passed between us
that in your mind you may have felt missed my attention
It didn't and it doesn't and it won't.
Thank you for the everyday that you make into holidays.

To the Class of '96 and my wonderfully supportive family,
My Love and God's Blessings be with You,

*Ronald Malaquias
1967 - 1996
Industrial Arts*

You have taught
with such grace,
Given lessons to last
us throughout the years.
Tomorrow the desk
will be empty,
Draws cleaned out,
Yet the memories we have shared
will cause a smile
to cross our faces.
You have filled our minds
with inspiration,
Given us wisdom
to lead us down the road ahead.
We would like to express
our thanks,
our gratitude,
For you will be missed in the halls
of Plymouth North.

*And We Cannot Forget:
Charles McGowen
1985 - 1996
Mathematics (#27)*

This upcoming June we, the class of 1996, will leave behind us four years of memories created within the towering walls of Plymouth North High School. Though feeling confined at times, begrudging the stress and difficulties brought upon by academic responsibilities, each individual has found contentment and friendship here. Together we have become a united class; we have learned to cooperate with one another, to appreciate each other, so that each promising day is cheerful and encouraging. As the class of 1996 approaches its final chapter in this segment of life, it becomes evident that together we have succeeded; we have become a class to be admired.

Unfortunately, upon the passing of our senior year many of us will choose separate paths to follow. While some attend college, several may head directly into the work force; others will enroll into the armed forces. Congratulations to you all! Good luck and be well! However, before you leave and explore your new-found freedom, the yearbook staff of '96 presents to you this book, a book capturing all memories and friendships created at PNHS. We hope you enjoy it!

Though such enjoyment would not be possible without the heart-felt dedication and talent of Mrs. Christine Sampson. At this moment I would like thank her greatly for her kindness, her loving spirit, and her hours upon hours of hard work. Her humor and enthusiasm, her tremendous smile, has now made a great impact on all of our lives. So on and on we will go, always remembering her, always remembering the class of 1996.

Yours truly,

Alysa Khederian

"So On and On I'll Go"

So on and on I'll go,
Remembering our times together.
The memories will stay forever.

The love we had will fill my heart,
The laughter we shared will flow
through my words.

Remember summer days,
Carefree and happy.
Remember autumn nights,
Watching the water on the sand.

So on and on I'll go,
Miles will separate us from one another,
Yet our souls will remain together.

The tears we shared will gather
in my eyes,
The happiness we shared will knot
in my throat.

So on and on I'll go,
Living my life the way I please,
Yet the times we share will never leave.
So on and on I'll go
